Laura – I think you should be on the call since we will be talking about the process of AlterEcho responding to EPA's comments on the Final Allocation Report, which is covered by the most recent TO Modification. Alice, do you agree?

Thanks
Rob Young

Sorry all – was having a bit of an issue with the time zones in my Outlook Calendar ☹️ Thus, I think you received 2 or 3 invites, but the last/correct is **1-2 PM Eastern on Wednesday the 3rd**.
Sorry for the confusion. I am happy it's Friday ...

Hi all – I needed to double check the time, but we are good and I'm about to send the invite for Wednesday at 1-2pm Eastern. A short Agenda will be included in the invitation.

Thanks all, and have a great weekend.

Subject: Call regarding AlterEcho responses to EPA questions

Hi all:

As discussed earlier today, I am trying to schedule a teleconference next week to discuss AlterEcho's responses to EPA's questions on the Final Allocation Recommendations Report. Here are the times that David and I are available (all times are Eastern):

Tuesday, 2/2 – Between 9:30 AM and 2:00 PM

Wednesday 2/3 – Between Noon and 2:00 PM, and any time after 3:00 PM

Please let me know which of these time slots work for EPA and ERG. The fall-back would be the regularly scheduled update Thursday the 4th at 9:30 AM Eastern (I still need to nail down David's availability for that, though).

Thanks!
